

## Kontour

The Kontour LED range is designed with the latest LED technology and the latest in modern office luminaire design. This means that the Kontour LED has a lumen performance that far exceeds part L energy targets whilst still delivering the aesthetic demanded of a modern office interior.

This comprehensive design allows for integration into most ceiling types and aperture sizes and can also be supplied with air handling capabilities.

### General Range Features:

- Efficiency of up to 95lm/W
- Long life, energy efficient LEDs
- Low profile recessed body
- Simple universal recessed installation

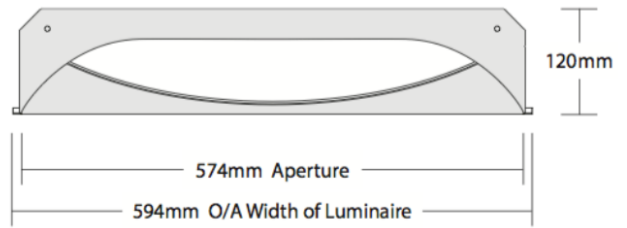

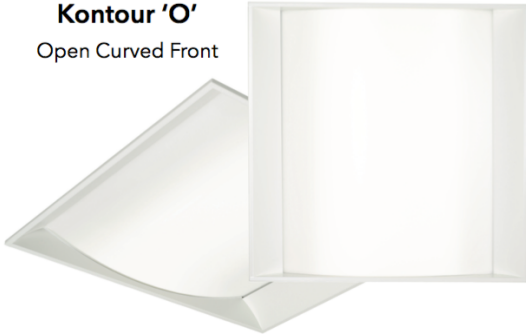

### Kontour Range Options:

- Available in 300 x 1200 (mm)
- Integration with various ceiling types
- Air handling
- Three hour emergency version
- DALI and DSI dimming versions
- Self-test and DALI emergency

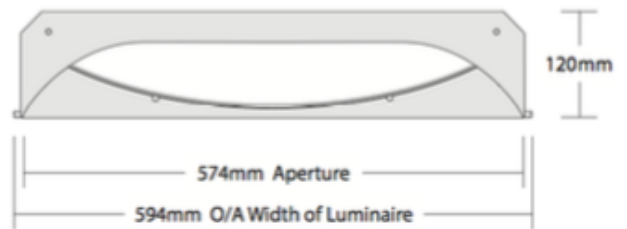

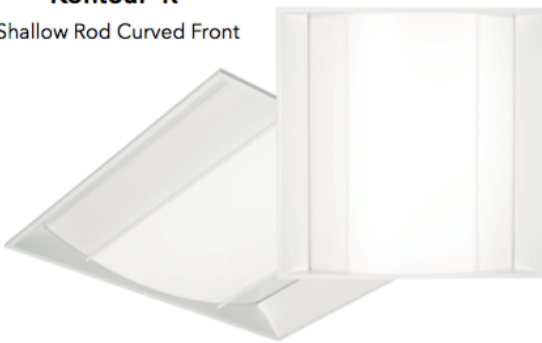

Offered in a choice of three diffuser options ('O', 'R' and 'W'), the Kontour LED luminaire range provides a low energy, long life alternative to conventional fluorescent modular luminaires. Providing the essential aesthetics demanded in modern office environments the Kontour luminaires also ensure effective and comfortable illuminance of any general area.

The high transmission opal diffusers are optimised for ideal photometric distribution without creating discomfort glare and the state-of-the-art LED sources guarantee that this is all achieved with very low energy consumption (typically 95lm/W).

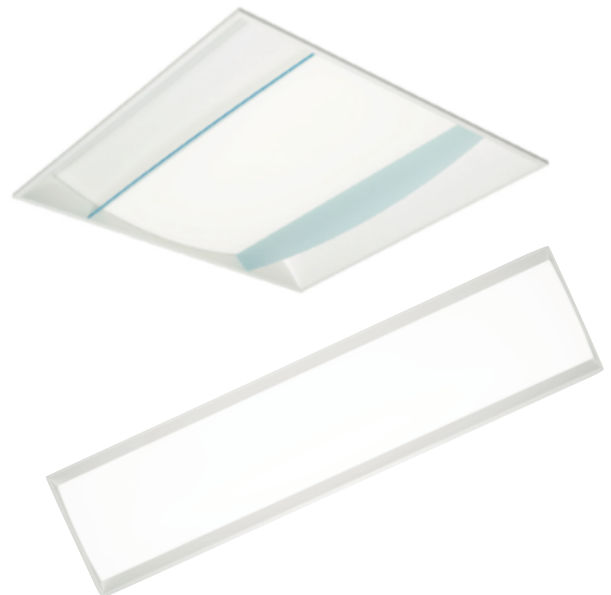

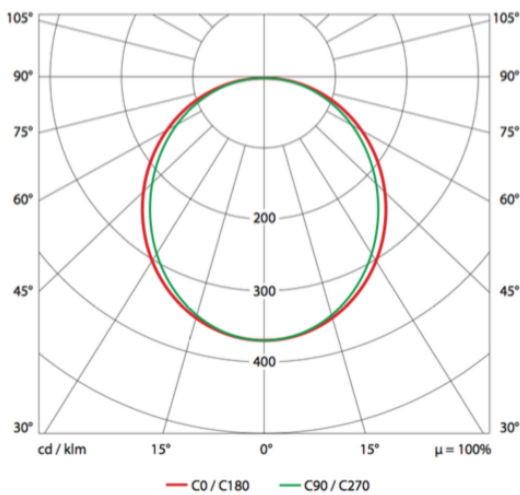

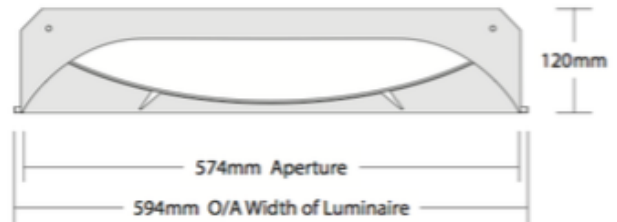

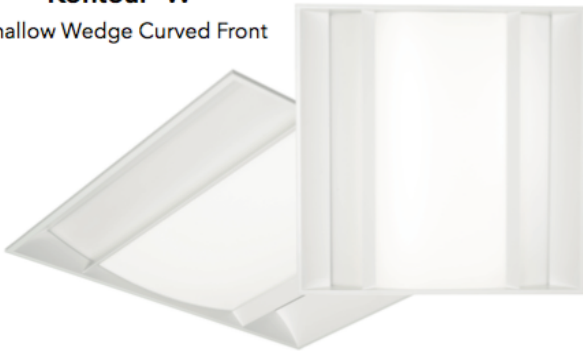

**Kontour 'O'**  
Open Curved Front

**Kontour 'R'**  
Shallow Rod Curved Front

**Kontour 'W'**  
Shallow Wedge Curved Front

## Photometry

LED Lumen Output	2641 Lumens
Colour Temperature	4000K
RA	80
Circuit Watts	28.09W
Efficiency	94.02lm /S

All Kontour Range luminaires are available in 300 x 1200mm versions.

500 x 500 versions and special sizes can be produced to Order.

All Kontour luminaires can be supplied with decorative colour diffuser side panels. For further information and range of colours please contact our Sales Office.

## Option 1

KT/6X6/O	Kontour LED 600mm x 600mm open curved front
KT/6X6/W	Kontour led 600mm x 600mm shallow wedge curved front
KT/6X6/R	kontour led 600mm x 600mm shallow rod curved front

## Option 2

/M3	3 Hour Emergency
