

Pathfinder SS04 Solar Street Light

Pathfinder – Solar Street Lights

The compact solar lighting solution!

The ultimate fully integrated solar street light system, featuring a simple installation method.

The Pathfinder Solar Street Light range is ideal for Car Parks, Cycle Paths, Roadways, Footpaths or anywhere there is NO access to power.

Features

- Easy maintenance, with direct access to battery and controller
- Heat sink hole, giving perfect heat dissipation of the battery and components with natural air flow
- Anti-blackout, optimal component calibration and intelligent management system
- 5 year warranty (3 years for battery)
- Lithium iron phosphate LIFEPO4 18650, including battery management system BMS
- Lifespan of over 2,500 cycles / 8-10 years and 25 years for the grade A monocrystalline solar panel

Pathfinder - Solar Street Lights

The compact solar lighting solution!
